

# SEPTEMBER SCAVENGER HUNT

***Hello, little explorers!***

Today, we are looking for fall colors, signs of Allah's creation, and ways to show kindness. Walk with an adult and color each box when you find or complete it. You do not have to finish every box —have fun noticing, helping, and exploring!

## ***Safety tips:***

Stay with an adult. Look gently and leave nature where it belongs. Do not touch insects, mushrooms, berries, or unfamiliar plants.

|                                            |                                    |                                              |                                |                                                        |
|--------------------------------------------|------------------------------------|----------------------------------------------|--------------------------------|--------------------------------------------------------|
| Find something <b>red</b> .                | Find something <b>orange</b> .     | Find something <b>yellow</b> .               | Find something <b>brown</b> .  | Find something <b>green</b> .                          |
| Find <b>a leaf bigger than your hand</b> . | Find <b>a tiny leaf</b> .          | Find <b>a seed, acorn, or pinecone</b> .     | Find <b>a small twig</b> .     | Observe <b>rough or bumpy tree bark</b> .              |
| Look for <b>a bird or insect</b> .         | Find <b>an interesting cloud</b> . | Find something <b>moving in the breeze</b> . | Stand in <b>a shady spot</b> . | Step on <b>a dry, crunchy leaf</b> .                   |
| Say <b>Assalamu alaikum</b> to someone.    | Make someone <b>smile</b> .        | <b>Help or share</b> with someone.           | Say a <b>kind word</b> .       | Find something Allah made and say <b>SubhanAllah</b> . |
